Red Rose Co. We are a mobile camp, meaning, on certain days we will travel to visit other local beaches & parks.

The activities we play are age appropriate and consist of tag games, build up to sports, swimming, body boarding, hikes and nature activities.

We also have our great **SleepAway camps** in the beautiful sleepy village of Idyllwild, which is about 2 hours away. Travel, food and all activities are inclusive in the price.

Plus, Ms Kimberly's infamous **Baking Camps**, you have to try these out, they are the BEST in town. Plus you take home yummy food to share with your family and friends!!

This camp is designed to Inspire, support and empower the children through social opportunities, movement and PLAY.
